## Carbon Footprint Game - Your Own Footprint

Question	Score
How do you travel to school? If it isn't the same each day, choose the one you do the most.	
When you wash, do you take a shower or a bath?	
Do you turn the tap off when you are brushing your teeth or do you leave it running?	
When you are cold do you turn the heating up or put a jumper on?	
Do you take holidays in the UK or fly abroad?	
Do you recycle or compost your rubbish or put it in the bin to go to landfill?	
Do you try to grow or buy locally grown food or not worry about how far your food has been transported?	
At home, do you turn the lights, computers and TV off when they aren't needed?	
When your clothes are washed do you dry them by hanging them on a line or putting them in a tumble dryer?	
Do you have low energy light bulbs in all, some or none of the light fittings at home?
